City, Cape Town

February 2023-Present
National Diploma – ICT Application Development • Cape
Peninsula University of Technology (CPUT) • District 6,
Cape Town

SKILLS

Computer Skills:

As an IT graduate with a background in IT Technical Support, I possess a diverse range of technical skills. I am proficient in Microsoft Office applications, including Word, Excel, PowerPoint, and Outlook, enabling me to create and edit documents, spreadsheets, presentations, and emails effectively. My skill set extends to operating systems, networking, hardware and software troubleshooting, and security protocols, which equips me to provide reliable technical support to end-users.

Additionally, I have proficiency in coding languages such as HTML, Java, JavaScript, CSS, and PHP, along with experience in UI/UX design using Figma. I also have hands-on knowledge of working with databases in Java and HTML/PHP, further enhancing my ability to develop and manage robust IT solutions. This combination of technical expertise and design skills positions me to contribute effectively to a variety of IT tasks and projects, delivering value to any organization.
